

# The Wizard

Danny Brown

It ain't even a question will I pop off  
Hot like the chicken of the grease with some hot sauce  
Used to play the block with the Carhartt  
For breakfast it was blunts, bout to get a couple Pop Tarts  
Used to ride around with the heckler  
Lil' nigga on his grind, Ryan Sheckler  
Stash in the dresser  
So fuck a school lecture  
From professors  
Like a teacher I test ya  
Never smoke regular haze in a swisher  
Runnin' through snow like blades in the winter  
Now I treat beats like crack on broke mirrors  
Slow like a gem star, nothings been delivered  
And now you're all high  
So you can thank I  
Fuckin' with Brown cause I keep a good supply  
I know a lot of fiends that say they can't cry  
Cause they sniff so much that it dried out their eyes  
And that's real shit

"They makin' money yo that shit is a waste"

"While you lames tryin' to stay in the game we playin' to win" - "Major players gettin' paper by the layers" - "Sinnin' at the club in Detroit"

"Now that's game, now I hope y'all listen cause" - "Signed or unsigned, MC's get dealt with" - "I've been too nice, too long"

You ain't gotta answer, "Am I real nigga?"  
I was sellin' crack back when it was Tommy Hilfiger  
Used to keep revolvers in the Nautica  
Now I just send a text, niggas come through, offin' ya  
Niggas blowin' horns at your burial  
Choir singin' loud and in stereo  
Your spirit's gone aerial  
Your family will miss you  
When we hit you  
Real nigga saw the bitch in you  
Different individual, not what you're used to  
One Danny Brown equal the whole Juice Crew  
Nigga you doo doo  
We all can smell it  
Chronic I smoke, I bail it then inhale it  
Pint of gram brew got a nigga on loose  
Shawty got a bubble and she said she comin' through  
Bitches on my dick cause a nigga so fly  
And I fuck so much when I nut my dick cry  
And that's real shit

"They makin' money yo that shit is a waste"

"While you lames tryin' to stay in the game we playin' to win"

"Major players gettin' paper by the layers"

"Sinnin' at the club in Detroit"

"Signed or unsigned, MC's get dealt with"
