Ordinary Miracle

Danny Elfman

It's not that unusual
When everything is beautiful
It's just another ordinary miracle today

The sky knows when it's time to snow Don't need to teach a seed to grow It's just another ordinary miracle today

Life is like a gift they say Wrapped up for you everyday Open up and find a way To give some of your own

Isn't it remarkable
Like every time a raindrop falls
It's just another ordinary miracle today

Birds in winter have their fling Will always make it home by spring It's just another ordinary miracle today

When you wake up everyday
Please don't throw your dreams away
Hold them close to your heart
'Cause we're all a part of the ordinary miracle

Ordinary miracle
Do you want to see a miracle?

It seems so exceptional
The things just work out after all
It's just another ordinary miracle today

Sun comes up and shines so bright And disappears again at night It's just another ordinary miracle today

It's just another ordinary miracle today
