Walk in the spot, lookin` fly, at the corner of my eye, see a shorty
tryna look my way..
She knows what it is, and she knows who I am so I don`t got much to
say..
She try to leave her man but he grabs her hand and he screams out
somethin` like hey, hey, hey..
(Bring it back)
Got petrone by my side and whole lotta lime, it`s time to get it started..
You know what`s on my mind, girl let`s leave this party.. (Yeah)
