## Hope In Front Of Me

## **Danny Gokey**

I've been running through rain That I thought would never end Trying to make it on faith

In a struggle against the wind

I've seen the dark and the broken places But I know in my soul No matter how bad it gets I'll be alright

There's hope in front of me There's a light, I still see it There's a hand still holding me Even when I don't believe it I might be down but I'm not dead There's better days still up ahead Even after all I've seen There's hope in front of me

There's a place at the end of the storm You finally find Where the hurt and the tears and the pain All fall behind

You open up your eyes and up ahead There's a big sun shining Right then and there you realize You'll be alright

There's hope in front of me There's a light, I still see it There's a hand still holding me Even when I don't believe it I might be down but I'm not dead There's better days still up ahead Even after all I've seen There's hope in front of me

There's a hope still burning I can feel it rising trough the night And my world's still turning I can feel your love here by my side

You're my hope You're the light, I still see it Your hands are holding me Even when I don't believe it I've got to believe I still have hope You are my hope
