

# It's Not Over

Danny Gokey

It's not over  
Till it's over

I stand and face the day  
I rise and ride the wave  
Half the battle's been won  
Cause I believe it can be done  
Oh, I believe

I might fall down but I get back up  
I'm gonna pull my weight and I'll push my luck  
I'm gonna stand and fight, and give it all I can  
This is not the end  
It's not over  
Till it's over  
It's not over  
Till it's over

I can't change the past  
But tomorrow is coming fast  
I'm too close now to give in  
I won't stop now until I win  
For you I'm gonna win

I might be down, but don't count me out  
It's not over till it's over  
I might be down, but I'll turn it around  
It's not over till it's over  
Yeah, no, no, no, no, no  
It's not over  
Till it's over  
It's not over  
Till it's over

I might fall down, but I get back up  
I'm gonna pull my weight and push my luck  
I'm gonna stand and fight, and give it all I can  
This is not the end  
It's not over  
Till it's over  
It's not over  
Till it's over

It's not over  
It's not over  
It's not over  
Till it's over  
Till it's over  
Till it's over
