

# My Best Days Are Ahead Of Me

Danny Gokey

Blowing out the candles  
on another birthday cake  
Old enough to look back and laugh at my mistakes  
Young enough to look at the future and like what I see  
My best days are ahead of me

Life hasn't always been a party  
but mostly it's been good  
There's only one or two things that I'd change if I could  
I don't get lost in the past or get stuck in some sad memory yah  
My best days are ahead of me

Age is nothing but a number  
Sometimes I have to wonder  
What does it really mean  
But heeeey im still putting it together  
I keep getting better  
if I keep getting better  
I can be whatever I want to be  
My best days are ahead of me

Age is nothing but a number  
Sometimes I have to wonder  
What does it really mean  
But heeeey im still putting it together  
I keep getting better  
if I keep getting better  
I can be whatever I want to be  
My best days are ahead of me

I've got sunsets to witness  
dreams to dance with  
beaches to walk on  
and lovers to kiss  
there's a whole lot of world out there  
that I can't wait to see  
My best days are ahead of me
