My Best Days Are Ahead Of Me

Danny Gokey

Blowing out the candles on another birthday cake
Old enough to look back and laugh at my mistakes
Young enough to look at the future and like what I see
My best days are ahead of me

Life hasn't always been a party but mostly it's been good
There's only one or two things that I'd change if I could
I dont get lost in the past or get stuck in some sad memory yah
My best days are ahead of me

Age is nothing but a number
Sometimes I have to wonder
What does it really mean
But heeey im still putting it together
I keep getting better
if I keep getting better
I can be whatever I want to be
My best days are ahead of me

Age is nothing but a number
Sometimes I have to wonder
What does it really mean
But heeey im still putting it together
I keep getting better
if I keep getting better
I can be whatever I want to be
My best days are ahead of me

I've got sunsets to witness dreams to dance with beaches to walk on and lovers to kiss there's a whole lot of world out there that I can't wait to see My best days are ahead of me My best days are ahead of me
