

Five Pennies

Danny Kaye

This little penny is to wish on
And make your wishes come true
This little penny is to dream on
Dream of all you can do

This little penny is a dancing penny
See how it glitters and it glows
Bright as a whistle
Light as a thistle

Quick, quick as a wink
Up on it's twinkling toes
This little penny is to laugh on
To see that tears never fall

This this little penny
Is the last little penny
Most important of all
For this penny is to love on

And where love is, heaven is there
So with just five pennies, if they're these five pennies
You'll be a millionaire
For this penny is to love on

And where love is, heaven is there
So with just five pennies, if they're these five pennies
You'll be a millionaire
