

# All On You

Danny Saucedo

You, make me, better  
I'd given all I got to get to you  
Can you, taken

I am all on you  
To be coming through  
I am all on you  
And that's why

I spending my emotions on you

Baby, feel me  
Cause all I wanna do is do your right  
And touch you, feel you

I am all on you  
To be coming through  
I am all on you  
And that's why

I spending my emotions on you  
I spending my emotions on you

I am all on you, baby

I am all on you  
To be coming through  
I am all on you  
And that's why,  
I spending my emotions on you
