Radio, the radio, video ...
Radio, the radio, video ...

He looks like a million dolar to you
tell me does he heal your heart like I do,
I know he's everything I'm not.

You say he makes your life complete
but do you ever think of me?
Don't lie I know that you can hear me.

When I'm on radio, the radio, I'm on the video
like oh oh oooh,
radio, the radio, I'm on the video
like oh oh oooh.

You think his money will do you right,
but they will keep you warm trough the night,
I know I'm everything he's not.

You say he makes your life complete
but I know you think of me?
Don't lie I know that you can hear me.

When I'm on radio, the radio, I'm on the video
like oh oh oooh,
radio, the radio, I'm on the video
like oh oh oooh.

Radio, the radio, video ...
Radio, the radio, video ...

When I'm on radio (radio), the radio (video), I'm on the video
like oh oh oooh,
radio (radio), the radio (video), I'm on the video
like oh oh oooh.

When I'm on radio, the radio, I'm on the video
like oh oh oooh,
radio, the radio, I'm on the video
like oh oh oooh,
Radio...
