

What Is Life

Danzel

There's a dark side of me
comin' to life
Oh lord

I cannot be freed
I feel a presence in me
trying to survive
Oh lord

I feel incomplete
Why'd you walk out on me?
And deserted the life that we had?
Oh lord

There's a page still unread
LIFE/x3

What is Life/x7
Oh Lord
I'm burning inside

There's too much pressure on me
I want to get out
Oh Lord

help me believe
I'm tormented by thee
Breaking inside
Oh lord
don't let me bleed

Why'd you walk out on me?
And deserted the life that we had?
Oh lord
There's a page still unread.

Make me believe that the morning will open my eyes
Maybe you'll see
That the answer was hidden in lies
oh lord/x2
LIFE

What is Life/x5
Oh lord
I'm burning inside
