

# Wonderland

Danzel

It's been six days  
Seven hours  
And fifteen minutes  
Since I saw your face

Where did we meet?  
Why don't I know?  
I just can't remember the place

It's been six days  
Seven hours  
Ad fifteen minutes  
Since I saw your face

Where did we meet?  
Why don't I know?  
I just can't remember the place

I've runing through the streets  
I want you to return  
How will I know?  
Where will it be?  
Please return to me

Take me to your wonderland, wonderland  
Take me to your wonderland  
Why can't I see

Take me to your wonderland, wonderland  
Take me to your wonderland  
Please let me in

It's been six days  
Seven hours  
And sixteen minutes  
Since I wrote this song

How did you look?  
Where did you go?  
I really want to know

I've been runing through the streets  
I want you to return  
How will I know?  
Where will it be?  
Please return to me

Take me to yor wonderland, wonderland  
Take me to your wonderland  
Why can't I see?

Take me to your wonderland, wonderland  
Take me to your wonderland  
Please let me in

Take me to your wonderland, wonderland  
Take me to your wonderland

Why can't I see?

Take to your wonderland, wonderlan  
Take me to your wonderland  
Please let me in

It's been six days
