

Action Woman

Danzig

Hey, Miss High & Mighty
Had all I can take
Walkin' on right on by me
That's your last mistake

I've gotta find myself some action
To satisfy my soul
A little satisfaction
Before I lose control

You say you love me good
But why are you so cold?
You say you own the world
But you don't own my soul

A little competition, now
Maybe that'll wake you up
Stir up some ambition, yeah
And really, really shake you up

I'm gonna find me an action woman
To love me all the time
A satisfaction woman
Before I lose my mind

I'm gonna find me an action woman
To love me all the time
A satisfaction woman
Before I lose my mind

Yeah, I'm gonna find me an action woman
To love me all the time
A satisfaction woman
Before I lose my mind

I'm gonna find me an action woman
To love me all the time
A satisfaction woman
Before I lose my mind

Yeah, I'm gonna find me an action woman
To love me all the time
A satisfaction woman
Before I lose my mind

Yeah, I'm gonna find me an action woman
To love me all the time, yeah
A satisfaction woman
Before I lose my mind
