

# Blood and Tears

Danzig

Blood and tears  
Blood and tears  
Since you've been gone  
I hear you've been crying  
Blood and tears

All alone  
In your misery  
So alone  
Could you have  
Been deceived  
Since I've been gone  
I hear you been crying

You cry a thousand tears  
Darling don't despair  
I know your heart still bleeds  
Darling don't you care  
There's blood in your tears

All alone  
In your misery  
So  
All alone  
You are lost  
Endlessly  
Since you've been gone  
I hear you been crying

You cry a thousand tears  
Darling don't despair  
I know your heart still bleeds  
Darling don't you care

You cry a thousand tears  
Darling don't despair  
I know your heart still bleeds  
Darling don't you care  
There's blood in your heart

You cry a thousand tears  
Darling don't despair  
I know your heart still bleeds  
Darling don't you care

You cry a thousand tears  
Darling don't despair  
I know your heart still bleeds  
Darling don't you care  
There's blood in your tears  
There's blood in your tears

Blood and tears  
Blood and tears  
Blood and tears
