

## East Indian Devil (Kali's Song)

Danzig

Free, I'm alive, yeah  
All that I am  
Know that I've woken  
All of my senses

Now I'm half-burning  
Flames out my eyes  
From my darkness  
Close by my side, yeah

And lo' see my cold dance

From my darkness  
Culled from my pride, yeah  
Down in the blindness  
Form latent hides

Dual is my aspect  
Cool to the touch  
Drink from my warm cup  
Life is the blood, yeah

Now I'm alive, yeah  
All things I am  
In blood I have tasted  
All that I am

In love and blood  
In love and blood, yeah
