

Pain Is Like An Animal

Danzig

I remember... things of pain...
God's children get in my way.
Believing...
all those words of pain...
headlong, rushing in my Brain.
I REMEMBER...
Cain's mistake.
Scattered my memories like twisted highway trash
...from another age,
spread out to another day.

And it's a long time bleedin',
and it's a cold down to my bones.
And i been burnin' up a Demon,
I'm gonna' pick it up and take it....HOME!

Pain is such a lonely place,
BURNIN' up into my soul.
Pain is such a lovely place.

I can't forget it...
the things of Pain.
Hooked in my mind, my brain.
Non-Believers...
underneath my skin...
LET LOOSE ON THE KILLIN" PLANE!!

And it's a long time bleedin',
and it's a cold down to my bones.
And i been burnin' up a Demon,
I'm gonna' pick it up and take it....HOME!

Pain is such a lonely place,
BURNIN' up into my soul.
Pain is such a lovely place.

Pain is such a lonely place,
BURNIN' up into my soul.
Pain is such a lovely place.
