

Serpentia

Danzig

My little girl
Won't you shed your skin
Little goddess
Why don't you slither in

It's a bold new world
Exploring sin
It's a bold new thrill
Why don't you come on in

Seductive snakegirl
Why don't you shed your skin
Seductive snakegoddess
Let the crawling begin

Crawl inside your skin
Crawl inside your skin

My little snake
C'mon shed your skin
Shiny cobra
Won't you crawl on in
