

Sistinas

Danzig

Take my hand
You'll never find
Another quite like mine

If you look
You'll see that I'm
A lonely one
I lost my soul
Deep inside
And it's so
Black
And cold deep inside

Sistine smile
You'll never know
The trap it's set
And if you did
You'd never look
Into
Its eyes

The sun don't shine
The wind won't blow
When you go hide
Without your love
I'm lonely
Deep inside
