

## Son of the Morning Star

Danzig

Do I need  
Thought so cold  
Could I feel more alone  
Am I more  
Damned than thou  
Should I wear tortures crown

Should I live my life a lie  
Could I bless alive  
Shall I bask in god's light  
Shall I fall  
One more time

Should I feel lost  
Somehow  
Do I feel less than thou  
Could I be  
Less undone  
Could I fall deeper down
