Danzig

Don't you ever call upon
things you shouldn't play with.
Don't you ever look upon
things that might offend you.

Say what they don't like.
Say what they don't like.

Don't you ever, no,
Don't ever call... (The unspeakable)
Don't you ever, no,
Don't ever call... (The unspeakable)

Say what they don't like.
Say what they don't like.

Don't you ever question God,
or question how to pray.
Don't you ever question laws,
question what they say.

Say what they don't like.
Say what they don't like.

Don't you ever, no,
Don't ever call... (The unspeakable)
Don't you ever, no,
Don't ever call... (The unspeakable)
Don't you ever, no,
Don't ever call... (The unspeakable)
Don't you ever, no,
Don't ever call... (The unspeakable)

Say what they don't like.
Say what they don't like.
Say what they don't like.
Say what they don't like.
Yeah!
