

# When Death Had No Name

Danzig

When death had no name  
Time stood still  
Life had no ending then

Before the word  
There was no end  
No fear, no mortal pain, no name  
Nothing

And this thing mortals fear  
Dubbed evil, hungry  
Waiting to no avail  
Withering

Life without an end  
Death without a name  
Without a name

And our eden burns in flames  
Can our eden still remain  
Still remain

Can you really make it end, yea

And this thing mortals fear  
Dubbed evil, hungry  
Waiting to no avail  
Withering

Life without an end  
Death without a

Yea, when death had no name  
Time stood still  
Life had no ending then, yea  
Oh oh yea, yea  
Oh oh, oh oh oh, oh
