

With a Girl Like You

Danzig

I want to spend my life with a girl like you
And do all the things that you want me to

Till that time has come
That we might live as one
Can I dance with you

I tell by the way you dress that you're so refined
And by the way you talk that you're just my kind

Girl why should it be
That you don't notice me
Can I dance with you

Baby baby is there no chance
I can take you for the last dance
All night long yeah I've been waiting
Now there'll be no hesitating

So before this dance has reached the end
To you across the floor my love I'll send
I just hope and pray that I'll find a way to say
Can I dance with you
