

## Christmas Lights

Daphne Loves Derby

It's been 2 weeks since you left from this town  
3 more days and you'll be home to save me from this winter chill  
1

Christmas lights in different shades of blue  
I look so pale I feel so stiff to not be here with you  
Just tell me that you miss me too  
You've been gone for too long

And I, I need you to be back come with me now (come back)  
The snow outside means nothing when you're gone  
Everything I needed is in you,so please come back.

Please tell me everything about your stay  
So I'll listen till the end even if you dont make sense now  
December never was this dull before  
I'll wait for your return just tell me you'll return  
Just tell me that you miss me too  
You've been gone for too long
