

## Come Winter

Daphne Loves Derby

The First Day of fall is the last day I'll kiss the sky  
The cold air surprises my bones have been spoiled by the summer  
's heat  
The sun hides its face, and I'll hide mine too  
Sooner or later this winter will rain down and leave me to wait  
for one year.  
I'll be there, I'll be there  
Next year this time, I'll be there  
I'll dream of the past, and wish that I was there.  
I am burning the letters of days gone by  
I'm so sorry, but I'm scared that my heart will regret the thin  
gs that I've done  
Breathe in all of the ashes of my mistakes.  
Gently collapse so no one will notice that you're falling too s  
hort of your breath.  
I've wasted more time dreaming than living.  
I've wasted more time dreaming...  
I'll be there. I'll be there.  
So cherish these days, enjoy every breath like it will be the l  
ast of your life.  
Please never look back, and never look back because you won't f  
orget why you cried.
