

Here's One For The Four Years

Daphne Loves Derby

Whatever this has come to be
Great value to the ones who need it
And in time we will see this through again
Take the time to taste the blood we need
Give me all that I'm asking for
Satisfy and don't ever disappoint my faith
Be true like you're always true to me
I'm sorry that I'm not good enough
Lets make up something we will never taste
No matter what I'll be there
Whatever it takes, I'll be there
Give me all that I'm asking for
Satisfy me.
We're so much better than you'll ever be.
