

# The Best Part About It Honey

Daphne Loves Derby

Sometimes, I am afraid  
Afraid that I'll never catch my breath  
Going this pace (ahhhhhh)  
Struggling for space  
And you, you left me with  
Such a bitter taste in my mouth  
When we talked for the last time, whoa (ahhhhhhhh)

Honey, honey  
I'm sorry you had to  
I'm sorry you had to  
Take me so seriously  
Take me seriously  
All we have left to do now  
Is lay in our beds by ourselves every night, whoa

When we were laid  
Right by the beach  
The sand on our skin  
The hair in your face  
The salt on our lips  
When we kissed  
And now I can't forget  
All of the little things we said with confidence  
With confidence, whoa  
I was mistold that  
Every good thing we have  
Must come to a bitter end

Honey, honey  
I'm sorry you had to  
I'm sorry you had to  
Take me so seriously  
Take me seriously  
All we have left to do now  
Is lay in our beds by ourselves every night, whoa

I'm not ready  
I'm not ready  
If you come to me so strong and steady  
Please have mercy  
Please have mercy tonight, tonight  
I'm not ready  
I'm not ready to leave yet  
So please have some mercy  
Please have some mercy for me, for me

Honey, honey  
I'm sorry you had to  
I'm sorry you had to  
Take me so seriously  
Take me seriously  
All we have left to do now  
Is sleep
