

# Comfortably Numb - Ani DiFranco

Dar Williams

Hello, is there anybody in there  
Just nod if you can hear me  
Is there anyone home  
Come on, now  
I hear you're feeling down  
Well, i can ease your pain  
Get you on your feet again

Relax. i need some information first  
Just the basic facts  
Can you show me where it hurts

There is no place, you are receding  
A distant ship's smoke on the horizon.  
You are only coming through in waves  
Your lips move but i can't hear what you're saying

When i was a child, i had a fever  
My hands felt just like two balloons  
Now i got that feeling once again  
I can't explain, you would not understand  
This is now how i am.

Ahh, i have become comfortably numb

Ok, it's just a little pinprick  
They'll be no more, ah  
But you might feel a little sick  
Can you stand up  
I do believe it's working, good  
That'll keep you going for the show  
Come on it's time to go

There is no place you are receding  
A distant ship's smoke on the horizon  
You are only coming through in waves  
Your lips move, but i can't hear what you're saying

When i was a child i caught a fleeting glimpse  
Out of the corner of my eye  
I turned to look but it was gone  
I cannot put my finger on it now  
The child is grown the dream is gone

Ahh, i have become comfortably numb
