

# The One Who Knows

Dar Williams

Time it was I had a dream  
And you're the dream come true  
And if I had the world to give  
I'd give it all to you.  
I'll take you to the mountains  
I will take you to the sea  
I'll show you how this life became  
A miracle to me.

You'll fly away  
but take my hand until that day  
So when they ask how far love goes  
When my job's done, you'll be the one who knows.

All the things you treasure most  
Will be the hardest won  
I will watch you struggle on  
For the answers come  
But I won't make it harder  
I'll be there to cheer you up  
I'll shine the light that guides you down  
The road you're walking on

You'll fly away  
but take my hand until that day  
So when they ask how far love goes  
When my job's done, you'll be the one who knows.

Before the mountains call to you  
Before you leave this home  
I will teach your heart to trust  
As I will teach my own  
But sometimes I will ask the moon  
Where it shined upon you last  
And shake my head and let me say  
It all went by so fast

You'll fly away  
but take my hand until that day  
So when they ask how far love goes  
When my job's done, you'll be the one who knows.
