

So Good To Me

Dara Maclean

Why would I ever worry
Why would I ever live in fear
I know my God is for me
There's a peace surpassing every single tear
His eye is on the sparrow
He's even livin' in the little things
I'm stickin' to the narrow,
Cause His heart has captured me

Life is so, so good, so good to me
And this love, this hope,
In my God who won't ever leave
So good to me
So good, so good
You're being so good to me

I'm walking in the sunshine
No trouble's gonna break my stride
I'm living it's a good life
Every gift my Father gives reminds me why
There's something on the inside
That nothing in this world could take away
I see it like the first time
And I just can't help but say

Life is so, so good, so good to me
And this love, this hope,
In my God who won't ever leave
So good to me
So good to me
You're being so good to me

Though this world may fall
I know who I'll call
On my God who's so good to me
For all my days
Let my heart proclaim
My God, is so good, so good

Life is so, so good, so good to me
And this love, this hope,
In my God who won't ever leave
So good to me
So good to me
You're being so good to me
So good, so good
So good to me
You're being so good to me
