

Unreachable

Dara Maclean

Smiling but you're broken
Hurting barely coping, out there waiting
Hoping for someone, somewhere
To tell you what you're missing

So you can get to living
You feel way beyond forgiven
You've tried everything

You're not too far away
You can't fall too far to save
Sounds unbelievable
But you're not unreachable

Just take the hand of grace
Your sins have been replaced
By something beautiful
You're not unreachable

Let mercy pull you closer
Your fight is finally over
Stop running, where you going?
Give into love

No need for resistance
This time it will be different
Love will go the distance
Wherever you are

You're not too far away
You can't fall too far to save
Sounds unbelievable
But you're not unreachable

Just take the hand of grace
Your sins have been replaced
By something beautiful
You're not unreachable

You've been waiting
To be rescued from your shame
But He was there
Before you called His name

You're not too far away
You can't fall too far to save
Sounds unbelievable
But you're not unreachable

Just take the hand of grace
Your sins have been replaced
By something beautiful
You're not unreachable

You're not unreachable
You're not unreachable
