

# You Got My Attention

Dara Maclean

Looking all around me  
What a crazy mixed up world  
People being pulled in every direction  
It's like our visions been blurred

But the chaos makes it easy to see  
No, it's never been more clear me

You got my attention now  
You captured me  
You got my attention now  
I can't take my eyes off You  
You're the one I need

You've stolen my affection  
You got a hold of my heart  
I'm so caught up  
Nothing compares  
To how beautiful You are

So I'm givin' all of me to You  
'Cause no one loves me like You do

You got my attention now  
You captured me  
You got my attention now  
I can't take my eyes of You  
You're the one I need

My eyes are fixed on You  
I'm so addicted to  
Your love, Your heart  
You are so captivating

You got my attention now  
You captured me  
You got my attention now  
I can't take my eyes of You  
You're the one I need  
You're the one I need
