

Don't We Almost Have It All

Darin

Remember when we held on in the rain
The night we almost lost it
Once again
We can take the night into tomorrow
Livin' on feelings touching you I feel it
All again

Didn't we almost have it all
When love was all we had worth giving
The ride with you was worth the fall my friend
Loving you makes life worth living
Didn't we almost have it all
The night we held on 'til the morning
You know you'll never love that way again
Didn't we almost have it all
Didn't we almost have it all
