Darin

Hit the lights  
Stop the show  
Hear my first note in this microphone  
Stop the band  
Pass the throne  
Once I shed my soul in this microphone

In this microphone  
In this microphone  
In this mic  
In this mic  
In this microphone

Standing in the center of attention  
Floating ten feet off the ground  
The world belongs to me  
It's time

It's time for some fucking recognition  
Yeah its time to rock this town  
It's here right underneath  
My feet

I take a breath  
I break the shell  
It's life or death

Hit the lights  
Stop the show  
Hear my first note in this microphone  
Stop the band  
Pass the throne  
Once I shed my soul in this microphone

In this microphone  
In this microphone  
In this mic  
In this mic  
In this microphone

I can feel the transformation  
When I break out of my shell  
I'll beak on someone else  
Myself

Tired of being something that I'm just not  
Only this can set me free  
This spot belongs to me  
It's mine

I take a breath  
I'll break the shell  
It's life or death

Hit the lights  
Stop the show  
Hear my first note in this microphone

Stop the band  
Pass the throne  
Once I shed my soul in this microphone

In this microphone  
In this microphone  
In this mic  
In this mic  
In this microphone

In this microphone  
In this microphone  
In this mic  
In this mic  
In this microphone

Yeah

Oh oh oh oh oh oh oh oh yeah oh yeah oh oh
