

Same Old Song

Darin

We ran out love somewhere along the way
I thought that we would find it again if I stayed
But that's when all the problems surfaced
I'm sorry I ain't mister perfect
I guess that means forever ended yesterday

Now this house ain't a home
But I guess easy come, easy go
I would give you my heart
But what good is a heart if it's broke?

You're gonna be sorry
You're gonna miss the smell of my cologne
Ain't no need to call me
You're just gonna sing that same old song

Over and over and over and over
Over and over and over and over

I'mma kill you softly
You just wanna sing that, sing that song

Gave you the loving that I had, oh yes
Just couldn't turn you into a housewife, I guess, oh no
When he would come around, I played him
I'm giving you an ultimatum
See something that your life and just go after it, yeah, yeah

Now this house ain't a home
But I guess easy come, easy go
I would give you my heart
But what good is a heart if it's broke?

You're gonna be sorry
You're gonna miss the smell of my cologne
Ain't no need to call me
You're just gonna sing that same old song

Over and over and over and over
Over and over and over and over

I'mma kill you softly
You just wanna sing that, sing that

Sing that same old song
You know, I heard it all before
Baby, heard it all before, baby

All my love is gone
You know, I heard it all before
Baby, heard it all before, baby

Sing that same old song, just for me
You know, I heard it all before
Baby, heard it all before, baby

All my love is gone, can't you see

You know, I heard it all before
Baby, heard it all before, baby

You're gonna be sorry
You're gonna miss the smell of my cologne
Ain't no need to call me
You're just gonna sing that same old song

Over and over and over and over
Over and over and over and over

I'mma kill you softly
You just wanna sing that, sing that
