

## Saturday Night

Darin

Hey girl, even though it hasn't been that easy lately  
you need to go on you're dying for some air, oh baby  
what's the reason being low tonight  
Come on 'n let me start you up that's right  
Shape up, do your hair the way I like 'n let's go crazy

Ahhhhh  
Cause, it's Saturday night oh yeah  
It's gonna be alright I swear  
Put them hot jeans on  
I'll show you how to have fun  
It's Saturday night oh yeah  
(hey hey hey hey)

Let go, come along don't wanna hear a no or a maybe  
I know what you need I'm gonna give it to you baby  
There's something special that I have for you  
Somehow I know you feel the same way too, yeah  
That look in your eyes, no doubt about it, let's go crazy

Girl, we both know,  
tonight it's going down  
So put them hot jeans on
