Darin

See you at the club

See you at the club
See you at the club at night (2x)

Look at this outfit
And how it fits
The young star looking fly
Shorty come get this - Aha
I lost my license but I could still
Drive you crazy - Baby
You can call me baby

Let me twist you up
Put you in the game
Let me work that sexy body
Let me flip you up
Get you on my lane
Since you acting naughty, naughty

Tonight I
Am I do my party right
So all my sexy ladies
Make sure that you looking fine
Tonight I

Good boy goin' bad
