

That Love

Darin

Girl, I'm ready now
So gimme everything you got
I can show you how
So I'mma put your love on top

Baby, you
You'll be my number one

So many ways to love you
I think about it all the time (All the time)
So many ways to touch you
I wanna do it every night

'Cause I love the way your body moves
Girl I swear you look so beautiful
Baby, I'm taking all of you
'Cause I just can't get enough of that love

No, I'll never stop
Trying to find the things you like
Gonna make it hot
Giving me a feeling I can't fight

Baby, you
You'll be my number one
Baby, you
You'll be my number one

So many ways to love you
I think about it all the time (All the time)
So many ways to touch you
I wanna do it every night

'Cause I love the way your body moves
Girl, I swear you look so beautiful
Baby, I'm taking all of you
'Cause I just can't get enough of that love

Baby, your wish is my command
So girl, just break all of your plans
Stay the night and if you want
I'll never stop..

So many ways to love you
I think about it all the time (Yeah, yeah, yeah)
So many ways to touch you
I want do it every night

Give me that love, that love, that love baby
Give me that love, that love, that love baby
I'm taking all of you
'Cause I just can't get enough of that love

I love the way you move
You look so beautiful
I'm taking all of you
'Cause I just can't get enough of that love
