Be Wary of a Woman

Darius Rucker

If you're a man like me who is good at leavin'
If you like your space and you love your freedom
Don't see yourself as ever settlin' down
Or your whole world bein' tossed around

Be wary of a woman, a woman so fine
Don't wanna change you, loves you just right
Makes you feel like a man inside
Sometimes she'll make you cry

Till you don't know what you're doin'
You're outta control, forget about leavin', your heart won't go
If you don't like that you better run and hide
And be wary of a woman like mine

She'll make you laugh when you feel like cryin'
Make you wanna live when you feel like dyin'
So if you like livin' in the dark
Just walk away, you're gonna lose your heart

Be wary of a woman, a woman so fine
Don't wanna change you, loves you just right
Makes you feel like a man inside
Sometimes she'll make you cry

Till you don't know what you're doin'
You're outta control, forget about leavin', your heart won't go
If you don't like that you better run and hide
And be wary of a woman, be wary of a woman like mine

Man, you don't stand a chance, don't even try
Be wary of a woman like mine

Be wary of a woman, a woman so fine
Don't wanna change you, who loves you just right
Makes you feel like a man inside
Sometimes she'll make you cry

Till you don't know what you're doin'
You're outta control, forget about leavin', your heart won't go
If you don't like that you better run and hide
And be wary of a woman like mine, a woman like mine
Be wary of a woman like mine, a woman like mine
