

Lie to Me

Darius Rucker

Girl look at you right there with that wind in your hair
Like a dream in the sunset light
I couldn't love you anymore, I couldn't love you any less
I guess I'm doing something right
But girl you gotta promise me
That if you ever have to leave

Baby lie to me 'cause I couldn't stand the truth
And I couldn't bear the thought of losin' you
Baby lie to me, tell me everything's all right
And when I'm sound asleep, you can fade into the night
Girl, instead of sayin' goodbye
Just lie to me

Last night when I saw you in a dream, you were packing' your things
And baby it all seemed so real
You came to tell me you were gone, my life had ended like a song
Felt as bad as I could feel
So if there ever comes a day
That you wanna walk away

Baby lie to me 'cause I couldn't stand the truth
And I couldn't bear the thought of losin' you
Baby lie to me, tell me everything's all right
And when I'm sound asleep, you can fade into the night
Girl, instead of sayin' goodbye
Just lie to me

Baby just lie to me 'cause I could not stand the truth
And I couldn't beat the thought of losin' you
Baby lie to me, tell me everything is cool
'Cause knowing you were leavin' girl, that would be so cruel
Girl instead of saying' goodbye
Just smile and look me right in the eye
Yeah girl instead of watching' me cry
Just lie to me oh yeah
Baby lie to me
