

Love Will Do That

Darius Rucker

The second I saw you
What was important
Wasn't important no more
Love will do that
Love will do that

Made the old moon burn brighter
Led to all-nighters
Made sleeping a thing of the past
Love will do that
Love will do that

It changes everything
Makes the angels sing
Puts the past in the past
It'll drive you crazy
Sometimes it just makes you laugh
Yeah, love will do that

Turns minutes to hours
Days into years
Gets time to moving so fast
Love will do that

It makes you move mountains
Or not an inch
Life's good right where we're at
Love will do that
Love will do that

It changes everything
Makes the angels sing
Puts the past in the past
It'll drive you crazy
Sometimes it just makes you laugh
Yeah, love will do that

It'll give you a sunset
And an old rockin' chair
A hand to hold while you're looking back
Yeah, love will do that
Love will do that

(2x):
It changes everything
Makes the angels sing
Puts the past in the past
It'll drive you crazy
Sometimes it just makes you laugh
Yeah, love will do that
