Live Twice

Don't leave now

Darius

```
Not yet
There were time we regret
And I'm sorry
Somehow
I only
Wanted to make you proud
If I could only let you know
I'd give up everything I own
For just one more day with you
There's nothing I wouldn't do
I could not let it pass me by
If I make every sacrifice
To bring me back your love
If only we could live twice
If only we could live twice
When you told me
I froze
It still echoes
In my soul
Please forgive me
If I didn't say
I love you
Every single day
If I could only let you know
I'd give up everything I own
```

For just one more day with you
There's nothing I wouldn't do
I could not let it pass me by
If I make every sacrifice
To bring me back your love
If only we could live twice
If only we could live twice

Nobody told me we'd only get one chance

I didn't know that our tide would turn so fast

Why we have to say goodbye I don't understand

If I could only let you know
I'd give up everything I own
For just one more day with you
There's nothing I wouldn't do
I could not let it pass me by
If I make every sacrifice
To bring me back your love
If only we could live twice

I could not let it pass me by

Nothing I give to sacrifice

To bring me back your love

If only we could live twice

If only we could live twice

We'll meet in another life

If only we could live twice
