

# Self Mutilation

## Dark Fortress

"Welcome to my world,  
I know,  
You won't see, what I see,  
Feel what I feel"

Guided by sin, obsessed by anguish  
Again and again  
Doomed to suffer, a slave of disdain

"Bleed for me, and I'll lead you  
To a higher ecstasy  
Bleed for me, and I'll lead you  
To a deep kind of agony"

Only pain...  
As the blade feeds my weary flesh again  
Only hate...  
As the blade seals my contaminated fate

Tempted by emotions  
So far away from what you call "life"

Unchained wolves  
Swallow my soul

Despair is the source of all life  
Self-Destruction the only way

I choose death to live!

And when Utopia crumbles  
Morbid souls move on

... My journey has just begun...
