

My Dark Desires

Dark Funeral

Father

I call your name upon the furious winds
I'm possessed by the spiritual strenght of hell
In the chamber of my dark heart a black flame burns
Satan
I summon the horned one from the abyssmal kingdom
Grant me the darkened unholy power
To please my evil wicked lust
Whispering forbidden names upon the skies
Guide me through the pathways to a kingdom of fire
Nightfall embreces my desperate cries
As I fulfill my dark desires
The coverted hour has finally arrived
The year when darkness over skies descends
When lightning strikes the highest mountain
And open up the path to the forbidden hades

My dark desires
My dark desires
My dark desires
My dark desires

Satan - take my soul to hell
I must burn in the unholy flames
Satan - take my soul to hell
I must burn to purify my weak soul

Father

I call your name upon the furious winds
I'm possessed by the spiritual strenght of hell
In the chamber of my dark heart a black flame burns
Satan
I summon the horned one from the abyssmal kingdom
Grant me the darkened unholy power
To please my evil wicked lust
Whispering forbidden names upon the skies
Guide me through the pathways to a kingdom of fire
Nightfall embreces my desperate cries
As I fulfill my dark desires

"If I start murdering people...there would be non of you left"

Bring damnation upon my soul !!!

My dark desires
My dark desires
My dark desires
My dark desires
