

Living in a Nightmare

Dark Moor

Silence in black
Is coming back,
There is a Light somewhere.
Monsters are shade
That never fades
From unreasonable dreams...
I can think
In black ink
About the world
Tragic.
World of magic.
Master.
Was disaster.
Goya.
Living in a nightmare.
Manic.
Mind in panic.
Freeman.
Cult of demon.
Goya.
Living in a nightmare, aye!
Candles and nights,
Blood and bullfights,
Also an 'akelarre'.
I can think
In black ink
About the world
Tragic.
World of magic.
Master.
Was disaster.
Goya.
Living in a nightmare.
Manic.
Mind in panic.
Freeman.
Cult of demon.
Goya.
Living in a nightmare, aye!
