

## Mio Cid

## Dark Moor

Cid! Cid! Mio Cid! Mio Cid!  
Hero and honoured great warrior  
who serves without treason;  
he guards both Islam and Christ  
in what he thinks in reason.  
Knight who, elected by God,  
is determined to glory,  
after the moment of death,  
he could succeed in war.  
His dust. Mio Cid!  
His must. Mio Cid!  
His sweat. Mio Cid!  
His threats. Mio Cid!  
His steel. Mio Cid!  
His zeal. Mio Cid!  
Mio Cid! Mio Cid!  
Tied to his horse,  
Mio Cid Campeador,  
Remains stable  
Pouring his gore,  
Only this vision  
Spreads fear and fright,  
Foes indecision  
Gives him the fight.  
After expiring  
Great feat he did,  
His foes are choiring  
O, Mio Cid!  
Both armies loudly call  
O, Mio Cid!  
Mio Cid!  
Cid! Cid! Mio Cid! Mio Cid!  
As his force was always inner,  
no matter his dying,  
Mio Cid's again the winner  
and his troops outcrying.  
Loud and keen, the clamour  
runs among the field,  
this sounds like a hammer  
battering a shield.  
His dust. Mio Cid!  
His must. Mio Cid!  
His sweat. Mio Cid!  
His threats. Mio Cid!  
His steel. Mio Cid!  
His zeal. Mio Cid!  
Mio Cid! Mio Cid!  
Tied to his horse,  
Mio Cid Campeador,  
Remains stable  
Pouring his gore,  
Only this vision  
Spreads fear and fright,  
Foes indecision  
Gives him the fight.  
After expiring  
Great feat he did,

His foes are choiring  
O, Mio Cid!  
Both armies loudly call  
O, Mio Cid!  
Mio Cid!  
His dust. Mio Cid!  
His must. Mio Cid!  
His sweat. Mio Cid!  
His threats. Mio Cid!  
His steel. Mio Cid!  
His zeal. Mio Cid!  
Mio Cid! Mio Cid!  
Tied to his horse,  
Mio Cid Campeador,  
Remains stable  
Pouring his gore,  
Only this vision  
Spreads fear and fright,  
Foes indecision  
Gives him the fight.  
After expiring  
Great feat he did,  
His foes are choiring  
O, Mio Cid!  
Both armies loudly call  
O, Mio Cid!  
Mio Cid!  
Cid! Cid! Mio Cid! Mio Cid!  
En el fragor,  
el Cid Campeador  
es como un rayo  
batallador.  
Su alma es una  
fuente de luz,  
bajo la Luna,  
o bajo la Cruz.  
Cabalga yerto,  
y gana la lid,  
después de muerto,  
¡Oh, Mío Cid!  
Después de muerto,  
¡Oh, Mío Cid!
