

## Dear Addy

Dark New Day

Innocently  
my friends, they talked about you like you were mally  
how I was made for you  
so I just thought I try you  
broke down my fear  
and all my inhibitions melted away  
leaving only the day to waste

But now there's something changing  
everything's hard and slipping away  
you make me crash my car  
and lose my job  
all in the same day

And now I'm losing control over this  
guess my soul's the one thing i'm gonna miss the most

Dear Addy now don't you know  
I'm gonna have to let you go  
you're too expensive to keep around  
Dear Addy now don't you see  
you're gonna be the death of me  
I gotta quit you somehow  
I gotta quit you

Additionally  
I know I learned to live a moment without  
of every side of you  
makes me begin to drown  
and every picture in my head  
and all the guilty feelings  
inside of me tried so hard just to make me believe

and now I'm losing control over this  
guess my soul's the one thing I'm gonna miss the most

Dear Addy now don't you know  
I'm gonna have to let you go  
you're too expensive to keep around  
Dear Addy now don't you see  
you're gonna be the death of me  
I gotta quit you somehow  
I gotta quit you

Oh I gotta quit you somehow  
and slip back down  
drip from the words that make all out

Dear Addy now don't you know  
I'm gonna have to let you go  
you're too expensive to keep around  
Dear Addy now don't you see  
you're gonna be the death of me  
I gotta quit you somehow  
I gotta quit you

Dear Addy now don't you know

I'm gonna have to let you go  
you're too expensive to keep around  
Dear Addy now don't you see  
you're gonna be the death of me  
I gotta quit you somehow  
I gotta quit you
