

## Valley Of The Pain

### Dark Sanctuary

Valley of pain  
Each tree is a part  
Of sadness

Behold deep rivers  
Which are a drop  
Of a girl

Singing a song  
Towards time  
Forever

Dream never ends  
I walk upon the plain  
In your heart

The horses cry  
Hear their words  
From another edge

Valley of pain  
Each tree is a part  
Of sadness
