

# For Broken Words

Dark Tranquillity

[Whispering:]  
No truth, no lie  
No truth, no lie  
No truth, no lie

It twists and turns  
Into something that is not to be  
What truth is left  
What's abandoned as the life flew by

Our words are broken  
Commit to sacrifice  
Betrayal of the code  
Thrust into nothingness  
No truth, no lie

Our words are broken

Our subconscious bias  
Confirmed what we already believe  
There is no method  
There is no value  
We give shelter to our false ideas

Commit to sacrifice  
Betrayal of the code  
Thrust into nothingness

Tear our thoughts into splinters  
Set the sense  
Forced to remember  
Words get thrown  
Out of focus  
As we test our will  
Dissolve to nothing

Break all bounds of unfair holding  
Trap this light to journey's end  
We're breaking  
We're breaking down

Our words are broken  
Commit to sacrifice  
Betrayal of the code  
Thrust into nothingness  
No truth, no lie

...our sacrifice  
...betray the code  
...into nothingness
