

## The Silence in Between

Dark Tranquillity

Exaggerate what the words wont say  
Build and arguement against yourself  
Sit this one out  
As the silent treatment speaks

The walls are coming down  
All we need is  
One to fail, one to break  
One to take it all away  
What if we crumble,  
What if we fall  
Where is the flame  
That torch the soul  
Truth when spoken  
Dies down to nothing

We challenged light and flame,  
And settled for the dark  
With pressure built to a point  
Deflated before its time  
We set our world on fire  
Yet lost the will to burn  
Not set a tone but a distance  
The silence in between  
Whatever validates  
The anger kept inside

Nothing ties the world to me  
Not a page of history  
Cannot talk the pain away  
Nothing tie the world to me

The silent treatment gets to me  
So few and far between  
These great dividing acts  
Behind those silent eyes
