

## What Only You Know

Dark Tranquillity

So after all that has been said  
Can we find a way back to when  
The days were ours to take  
And nothing ever hurt  
And we failed to offer or forgive

Reach out for the favors  
Take down the hopeful light  
For even the broken break

In the silence that only you know  
What hides in the emptiness  
That only you know  
When the night is long  
And the will is weak  
Even the broken break

It is a pain you will never know  
Held up to a light you once shone  
For every hour in my head  
The mind distorts  
So what can the broken ever say

Phase out the noise pollution  
Tune out of insanity's dream  
Take the hopeless down

In the silence that only you know  
What hides in the emptiness  
That only you know  
In that darkness  
That only you know

In the silence that only you know  
What hides in the emptiness  
That only you know
